Funding Request Application
Frankfort-Elberta Area Schools Educational Foundation

Teacher: _____

Class: _____ **Number of students:** _____

Purpose of the Educational Foundation:
To provide support for innovative programs and special projects that improves educational opportunities that may not be supported by local, state, or federal educational funds.

Application Process:
The Foundation conducts Board meetings on a quarterly basis and will review all applications and award funds at these meetings, or by way of a telephone poll of all board members. Please attach a separate piece of paper, if necessary. At the conclusion of all approved events the board requires a letter detailing the outcome of the event and any educational benefits gained by the students.

1. Please give a brief description of the item or program.

2. How will this item or program be correlated with classroom learning?

3. What school resources have been explored through the normal channels?

4. What is the total amount of funds needed for this item or program?

5. Please indicate the lead-time needed for this request?

Please submit all requests to: Frankfort-Elberta Area Schools Educational Foundation
P.O. Box 1044
