

**Panther Parents Grant Request**

The Panther Parents offer grants to teachers, administrators, and groups affiliated with the Frankfort – Elberta Area Schools to support field trips, special projects, and innovative programs, which will enhance the educational experience of students at FEAS. If you have any questions or concerns please feel free to contact Shelly Walrad (President) at 352-6728.

The Panther Parents meet regularly September through May on the third Monday of each month at 7:00pm in the Elementary School Library. Before submitting a Grant Request Form, please make sure you have cleared the request with your principal. Submit the request as soon as you know you will have a need. This ensures a place on the next meeting agenda and helps us to do a better job of dispersing available funds in a fair and equitable manner. The Panther Parents mailbox is located in the Elementary School Office. If the request is for over \$200.00, please plan to attend the Panther Parents meeting to answer any questions that may arise.
